Final Presentation: 6/5 and 6/12

- The final presentation will be hold on 6/5 and 6/12
- Let me know which date you want to present your work and I will randomly decide the presentation order
- Use slides and present it in English
- **Please upload your slides before 10:00am 6/5 or 6/12 using the following link**
 - <https://www.dropbox.com/request/RiMp50xso7wRKEGCP6cS>
 - Format of file name: present_order+studentID+name
 - Example: 1_r09323010_TzuTingYang

Content

- 5 minutes presentation
 - My suggestion: around 1 to 5 slides
- To control time, audiences can only ask questions after presentation (2-minutes Q&A).

Content

- In fact, you can think it is the second research progress presentation
- Possible structure
 - Use the first page to remind your readers what's your research question
 - Then, updates your dataset and empirical methods
 - Write down your estimated equations
 - Define the variable in your estimated equation
 - Present summary statistics for your estimated sample or preliminary results
 - If possible, present the preliminary results
 - Interpret your estimates
 - Finally, discuss what will you do before you submitting your term paper (future work)
